Offering around 2,348.0 ft2 of living space, this fully developed 2-storey home offers various features including the kitchen which features a corner pantry, a kitchen island, and a sink which looks out onto the deck and family room. Also on the main floor are a 2-piece bathroom and a laundry room. Upstairs has 3 bedrooms, with the master bedroom including a 3-piece ensuite and a walk-in closet. The Walk Out basement level is well lit during the day with south facing windows, and features a spacious recreation room, with an additional 2-piece bathroom, and a work area. The walk-out basement leads to a large backyard with a paved concrete patio and garden shed. Out front, there is a double garage which is insulated and dry walled. The roof and siding were also replaced in 2023. Situated in a quiet neighborhood, this house is close to schools, shopping centres, a YMCA, the C-train station, and Highway 201.
