Hello Developers, Investors and Builders! This expansive 51.5' x 126' corner lot offers incredible potential for development. The site design allows for a corner row home layout featuring four main building units (2 stories, 3 bedrooms each) and four legal secondary suites (1 bedroom each), along with four single-car garages. The property is also eligible for H-GO rezoning, offering the option to build a 5+5 structure if desired. The current home includes 3 bedrooms and 1 bath on the upper floor, plus an illegal basement suite with 2 bedrooms and 1 bath, accessible via a separate back entrance. A double detached garage, driveway, and storage shed complete the property. The lot offers quick access to Memorial Drive and International Avenue, making it a prime location for development. Please note, the property is boarded up and ready for demolition. It is being sold as-is. Don't miss this incredible opportunity to build for rental income or resale!
