Open House Saturday - April 26, 2025 - 1:00 pm to 4:00 pm and Sunday - April 27, 2025 - 2:00 pm to 4:00 pmFrom the moment you walk in, you’ll see this isn’t your average home. The beautifully renovated kitchen features sleek quartz countertops, a stylish tile backsplash, and a fully equipped spice kitchen—perfect for cooking up a storm without the mess. Just off the kitchen, the inviting family room with a cozy fireplace is ideal for relaxing evenings and movie nights. Upstairs, the spacious primary bedroom welcomes you with double doors and a private ensuite. Two additional generously sized bedrooms provide plenty of space for family or guests. The fully finished basement adds even more flexibility—use it as a rec room, home office, or guest suite to suit your lifestyle. This home has seen extensive updates, including new triple-pane windows (2024), furnace, heat pump/air conditioner (2024), updated bathrooms, flooring, pot lights, and a new roof (2021–2023). It’s truly move-in ready. Sitting on a massive 50' x 111' lot with an east-facing backyard, fruit trees, and no rear neighbors (backing onto a greenbelt space), this home offers peace and privacy. You're just steps from transit, schools like St. Bede & Beddington Heights, and minutes to shopping, parks, and major routes. Bonus Feature: This home includes a new heat pump system—an energy-efficient upgrade that provides both heating and cooling. Unlike traditional air conditioners, a heat pump can reverse function to provide warmth in winter and cooling in summer, all while reducing energy usage. It’s a smart, eco-friendly alternative that keeps your home comfortable year-round. Truly move-in ready and full of charm — come see for yourself!
